

Amendments to the Specification

Submitted herewith on a single page is an abstract of the disclosure in satisfaction of 37 C.F.R. §1.72(b).

On page 4, line 5, add the following new section:

--Brief Description of the Drawing

Fig. 1 illustrates the effects of 2-methyl-6-(phenylethynyl)-pyridine (MPEP), 10 $\mu\text{mol/kg}$, i.v. on gastric distention in WKY female rats.--
